---

## Summary

Fullstack web developer with experience working in a startup company and Summa Cum Laude graduate of Rutgers University. I have a background in philosophy, and a drive to learn new technologies. I am a creative, organized and methodical problem solver, always ready to take on a new challenge.

## Skills

**FRONTEND:** JavaScript, React.js, HTML, CSS, Bootstrap, Material-UI

**BACKEND / DATABASES:** Node.js, Java, PostgreSQL, Sequelize, Express.js, Firebase

**OTHER TOOLS:** Git, GitHub, Jasmine

## Education

### CONTINUING EDUCATION

• The Complete Junior to Senior Web Developer Roadmap (Udemy) 2020

### BLOC | WEB DEVELOPER TRACK

July 2019

• 8-month apprentice-style coding bootcamp

• Leveraged project-based learning to master software engineering principles, programming fundamentals, frontend development, and backend development

### RUTGERS UNIVERSITY | BA | SUMMA CUM LAUDE | GPA: 3.94

2018

• Majors: Philosophy, Jewish Studies; Minor: Religion

• Semester Abroad: Honors Program, The Hebrew University of Jerusalem

• Honor societies: Phi Beta Kappa; Natl. Society of Collegiate Scholars; Natl. Society of Leadership and Success

## Software Experience

### SOFTWARE DEVELOPER | TARYAG ANALYTICS

2019-Current

• Primary developer for a text mining and analytics startup

• Developed frontend UI features in React and backend web services in Java to support new search features

• Responsible for implementing web-scraping ETL process in Java to load new source data into the application

• Beta version launched Q1 2020

### PROJECTS

2018 - 2020

• **The Ezrat Nashim Database:** Crowdsourced, public database of synagogues with information especially relevant to women

• **Spotifyfake:** Frontend music player that can serve as a starting point for a more robust streaming application

• **Slaq:** Real-time chat app where users enter or create chat rooms and can read, send, edit or delete messages

• **Tirred:** Reddit-inspired discussion board where users sign up, create posts and comments, and vote on posts

## Other Experience

### SUMMER INTERN | LOOKSTEIN VIRTUAL JEWISH ACADEMY

2017

• Developed 10 original assignments based on 15 sources for a middle school Biblical Studies course

### COMMUNITY SERVICES COORDINATOR | RUTGERS UNIVERSITY HILLEL

2016

• Managed and ran daily services for campus Jewish community

• Created and managed Facebook group to facilitate networking with other universities

### PARSHA PACKETS | EDUCATIONAL MATERIAL | CAMP STONE

2016-Current

• Gathered requirements and feedback from different stakeholders including camp leadership

• Designed 10 educational modules to enhance learning framework for 350+ campers
