Summary

Fullstack web developer with experience working in a startup company and Summa Cum Laude graduate of Rutgers University. I have a background in philosophy, and a drive to learn new technologies. I am a creative, organized and methodical problem solver, always ready to take on a new challenge.

Skills

FRONTEND: JavaScript, React.js, HTML, CSS, Bootstrap, Material-UI

BACKEND / DATABASES: Node.js, Java, PostgreSQL, Sequelize, Express.js, Firebase

OTHER TOOLS: Git, GitHub, Jasmine

Education

BLOC | WEB DEVELOPER TRACK

July 2019

- 8-month apprentice-style coding bootcamp
- Leveraged project-based learning to master programming fundamentals, frontend development, backend development, and software engineering principles

RUTGERS UNIVERSITY | BA | SUMMA CUM LAUDE | GPA: 3.94

2018

- Majors: Philosophy, Jewish Studies; Minor: Religion
- Semester Abroad: The Hebrew University of Jerusalem, Spring in Jerusalem Honors Program

Experience

SOFTWARE DEVELOPER | TARYAG ANALYTICS

2019-Current

- Developed React-based frontend UI features for a text mining and analytics startup
- Responsible for implementing ETL process to load raw source data into the application
- Beta version launched Q1 2020

SUMMER INTERN | LOOKSTEIN VIRTUAL JEWISH ACADEMY

2017

- Consulted with Curriculum Development Coordinator to determine project goals
- Developed 10 original assignments based on 15 sources for a middle school Biblical Studies course

RELIGIOUS SERVICES COORDINATOR | RUTGERS JEWISH STUDENT ORGANIZATION (HILLEL)

2016

- Managed and ran daily services for campus Jewish community
- Initiated changeover to new group texting app to better fit community's needs
- Created new Facebook group to facilitate networking with those in similar roles on other campuses

Projects

SOFTWARE PROJECTS

2018 - 2019

- **Spotifyfake:** Frontend music player that can serve as a starting point for a more robust streaming application
- **Slaq:** Real-time chat app where users enter or create chat rooms and can read, send, edit or delete messages
- **Tirred:** Reddit-inspired discussion board where users sign up, create posts and comments, and vote on posts

PARSHA PACKETS | EDUCATIONAL MATERIAL

2016-Current

- Independently identified need and proposed enhancements to educational framework used for 350+ campers
- Designed series of 10 packets to improve camper engagement in weekly religious services
- Gathered and incorporated direct feedback from Camp Director
- Committed to provide ongoing annual enhancements (3 years to date)
